

We are hiring SME Growth Advisor Nigeria

Exciting job opportunity with Africa's leading business accelerator

JOB DESCRIPTION: SME Growth Advisor Nigeria

About us:

GrowthAfrica is one of the continent's leading growth partners for entrepreneurs and we are looking for new talent to join our quest to grow the continent's promising impact enterprises into prosperous and successful contributors to our societies, creating much needed job opportunities, economic growth and social transformation.

We drive investment- and market-readiness through cohort-based programmes, projects and tailored support services to entrepreneurs across Africa. We work hard to ensure that entrepreneurial ventures increase their rate and scope of success, be it during the startup, growth or expansion stage.

Through access to capital, markets, technology and knowhow we have since 2002 supported over 2,000 businesses flourish. We focus on innovative and scalable post-revenue start-ups and growth SMEs led by ambitious entrepreneurs.

Headquartered in Nairobi, we currently run activities across Africa and are in an ambitious geographical expansion phase. You will join an international, passionate and ambitious team of 35 colleagues across 6 countries – and growing.

About the role:

As a member of our team of Growth Advisors (also known as Growth Catalysts internally), you are in charge of driving our entrepreneurs and businesses we work with through their business development journey. Using GrowthAfrica's proprietary methodology and tools you will be assigned businesses who you will assist in thinking through key aspects of their business model, their strategies – be it product design, marketing, supply chain or sales and distribution. In partnership with our Financial Modeller you will also assist in developing their financial models and preparing them for investments, including promoting them to potential investors.

Your responsibilities will include:

- Attracting high-potential and growth-oriented early stage ventures for our programmes
- Screening and selection of business applicants, putting together an exciting cohort, including collection of relevant information and data
- Co-facilitate business development workshops ensuring the successful adoption and use of the GrowthAfrica methodology and tools
- Individualized follow-up with the businesses: During implementation of plans made during the workshops, further assist in the proper adoption and use of the GrowthAfrica methodology and tools. Ensure that the businesses arrive well-prepared for the business development workshops
- Look for and approach appropriate mentors for "your businesses"
- Liaise with the Director of Programmes and Lead Facilitator on the progress of the businesses, including writing periodic progress reports
- Liaise with the Financial Modeller regarding the development of financial models and assist in the collection of information and data relevant to the pre-diligence work done by the Finance Modellers
- Reporting and documentation for funders, mentors, investors and other stakeholders
- Assist in the development of investor presentations for the businesses
- Planning and execution of workshop and event logistics

Who we are looking for:

- You have 5-8 years' experience in developing businesses, e.g. as senior consultant or business analyst
- You can diagnose business needs
- You have strong analytical skills and the ability to conceptualise and concretise ideas and hypotheses
- You are a people person – you love interacting with new people and guiding them on a journey
- You are informed and knowledgeable on general topics and have diverse interests
- You are a natural relationships builder who doesn't shy away from initiating conversations
- You are curious and naturally driven to learn new things
- Natural problem-solver: You have proven results with minimal supervision
- You are not shy to approach big executives as mentors for our business clients nor to critique entrepreneurs even when they disagree
- You are inspired by entrepreneurship and may have start-up ambitions (or have run a start up before!)
- You have your finger on the pulse of the country
- You keep yourself up to date and tuned into business, socioeconomics and politics in the region
- You have at least an undergraduate degree, preferably in business-related studies
- You might have an additional graduate-level courses, or pursuing a graduate degree, e.g. MBA
- Previous experience across several sectors is an added advantage
- Extensive experience working with Tech companies is an added advantage

You have the cultural fit to work in GrowthAfrica if:

- You think of social issues and innovative approaches
- You are passionate about seeing Africa's growth through business
- You feel comfortable working in fast growing environments and flexible to adapt to changes
- You are willing to work when and where the work needs doing (this occasionally includes weekends)
- You are excited to walk hand-in-hand with the entrepreneurs and businesses we work with, across the country
- You are business-minded and street-savvy

Why work with us?

- Purpose-driven organization and role
- Get exposed to early stage business's realities. You will walk in the shoes of the entrepreneurs. Their success is our success.
- Learn about innovation and entrepreneurship across the continent and design your own personal and professional learning journey
- Become part of a highly committed, international team
- Your work involves meeting top entrepreneurs and senior executives on the continent
- You get to work with the investment community across Africa
- We offer a good base salary with performance-based incentives
