

GrowthAfrica Accelerator FAQs

1. Where do I submit my application form?

All application forms should be submitted online via the application link

2. Can I save my application form in a different format and submit it via email?

No, only online submissions will be deemed valid. However, you can download the application package [here](#): this allows you to fill the form offline on a word document and thereafter copy the information on the online form.

3. Can I apply even if my business does not fit any of the specified sectors?

Yes, as long as it meets the other criteria, please ensure you have selected “other” on the drop-down list.

4. When would I hear about the outcome of the application?

Immediately after applying you will receive a notification that we have received your application. Expect to hear from us the 2nd week of January 2021.

5. What is the next stage after submitting the application online?

The internal selection team will go through the applications and invite shortlisted companies for a face-to-face meeting/interview at the GrowthAfrica offices within their respective countries. If you are shortlisted for an interview, you will be required (as the Founder or Co-founder) to attend the interview in person. After these, we shall conduct due diligence and based on these together with all other factors, determine and extend an offer to 15 participants per country.

6. Who can I contact in case I am having technical issues with my application form or in case I need further clarification on the program?
